1. [REDACTED] LIAISON Received a call from Larry Smith, Senate Armed Services Subcommittee on Legislation staff. Smith was checking as to whether the Agency had prepared an unclassified study on Soviet civil defense. If not, he requested access to the classified study on this subject which we had mentioned to Senator John Culver (D., Iowa) some months ago. I told him I was certain that no unclassified study has been done and a question still remains as to whether or not one will be issued. I said I would check and let him know and will also check as to whether the classified study has been completed and could be made available for review. I have referred the request to [REDACTED] C/CSS/NFAC, who is checking on both studies and will let me know.
